THE JUNCTION OF THREE CONTINENTS

MERSIN INTERNATIONAL PORT

The main port for the Eastern Mediterranean Region's industry and agriculture activities, Mersin International Port, is the gate of Mersin opening to the world.

It is located on the most important junction of the world with its wide indoor and outdoor hinterlands, North and South highway connections, Anatolia connections through Sertavul and Gülek straits, 320 km coast, fuel tank farms, logistic village, free zones, international ports. Its also located on the junction of highway, airway, railway and maritime transport.
